Professional Summary

Motivated software engineer looking to pursue a successful career in software development so that I can help in the delivery of state-of-the-art software solutions. Experience includes coding, troubleshooting, and testing for my own personal projects while at university.

Work Experience

High School Teacher

Windle International Kenya: Jan 2019 – Dec 2019

- Established positive relationships with students, parents, fellow teachers and school administrators.
- Earned positive feedback from parents regarding classroom instruction and student learning success.
- Observed and assessed student performance, keeping thorough records of progress.
- Assisted and supported other teaching staff in implementing daily programs.
- Allocated and graded homework, assignments, and tests.

Education

Jomo Kenyatta University of Agriculture and Technology

Field: Bachelor of Science in Information Technology
